Applicants for studies at ILPS CU who book long-term accommodation (longer than 89 nights) are obliged to pay in advance a set-up payment according to the selected payment mode.

In the basic payment mode, the applicant pays a non-refundable accommodation fee of EUR 150 and a deposit of EUR 450 (total of EUR 600) in advance. The applicant may be refunded the deposit if the contract is terminated more than 90 days before the date from which the accommodation is to be provided according to the contract.

Payment of the fee for accommodation and deposit for accommodation covers accommodation from 1 September of the given year to the date of that year which is stated in the price list.

The price of further accommodation is paid in Czech crowns directly at the centre where the accommodated student is studying.

If the accommodated person pays for the accommodation in advance for the whole winter semester by 30 September, he / she is charged the discounted price according to the price list above. If the student pays for the accommodation in advance for the whole summer semester by 15 February (until the set date), he / she is charged the discounted price according to the price list above.

If the accommodated person pays for the accommodation in advance for the whole academic year (till the set date) by 30 September, he / she will pay the discounted price according to the price list above.

Refunds of already made payments for accommodation in the case of earlier termination of accommodation are governed by the General Accommodation Conditions. In exceptional and justified cases, in the case of earlier termination of accommodation, a proportional part of the accommodation fee may be refunded.

### **Students in medium term programmes**

This price list is valid for students of ILPS CU six-week programmes. Prices are in Czech crowns per bed per night. The prices are the same as those for long-term programmes.

An applicant for a six-week language course at ILPS CU who books accommodation (more than 30 nights and less than 89 nights) is obliged to pay a non-refundable reservation fee of EUR 40 in advance.

In the case of accommodation of less than 45 nights, the accommodated person is obliged to pay the amount for the whole accommodation in advance at the time of arrival at the latest.

### **Students in short-term programmes**

Students of other ILPS CU programmes pay prices set by the price list for students in long-term programmes increased by 50% of this price.

## PRICE LIST FOR GUEST ACCOMMODATION

This price list is valid for all accommodated people with the exception of students pursuant to Article 6 of this measure. Prices are in Czech crowns per bed per night.

The booking fee is not paid in the case of guest accommodation reservation. The accommodated person is obliged to pay the full amount of the accommodation in advance.
