
Accommodation for students

Modern student accommodation: booking and payment

We offer long-term and short-term accommodation

	Have you decided to stay longer than 89 nights ? Then you pay a one-off accommodation deposit of CZK 7050 / EUR 300, which covers the accommodation of your choice from the day you arrive at the hostel until the amount is exhausted. Once the deposit is used up, you pay for your further accommodation costs directly at the study centre (by bank transfer, card, cash).
	Discount: discounted prices apply if you pay for the whole semester or the whole academic year at once .
	The room reservation in the dormitory takes place after the visa has been granted. Send a scan of the visa sticker to your administrative assistant and request a room reservation. Students without a visa requirement can reserve a room after paying a deposit for accommodation.
	Cancellation fee for a canceled accommodation reservation is 50%.
