## Cancellation terms

### Course price

- There is no refund of the course fee at the time the student starts the summer course.
- If the candidate cancels his/her participation in the course no later than 2 weeks before the start of the course, the price of the course will be refunded after deduction of a non-refundable administration fee (1000 CZK for the 4-week variant, 500 CZK for the 2-week variant).
- If the applicant uses the supporting documents issued by ILPS CU to obtain a visa and uses this visa to enter the Czech Republic, he/she is considered to have started the course and is therefore not entitled to a refund of the course fee.
- By paying the course fee, the student confirms his/her agreement to the above terms and conditions.

### Accommodation

(does not apply to the Summer Czech language and Culture Course and to the SUMMER FLAS PRAGUE Czech language programme)

- At the time the student checks into the accommodation, no refund of the accommodation price is possible.
- If the applicant cancels his/her participation in the course no later than 2 weeks before the start of the course, the amount paid for accommodation will be refunded in full.
- If the applicant uses the supporting documents issued by our institute to obtain a visa and uses this visa to enter the Czech Republic, he/she is considered to have started the accommodation and is therefore not entitled to a refund of the accommodation price.
- By paying the accommodation price, the student confirms his/her agreement to the above terms and conditions.

### Discounts

- We offer a discount of 1000 CZK per person on the price of the complete four-week course to students who have participated in our summer course in the past 3 years.
- We offer a 10% discount per person on the price of the course to participants of Czech language courses organized by Czech centres abroad.
- The claim for the discount must already be stated in the online application form.
- Discounts are not cumulative.
- For the two-week summer school options, the discounts are reduced accordingly.
