<p></p>

<div class="text-block"><p><strong>Study at the best Czech universities for free.</strong></p> <p>According to the law, higher education in the Czech Republic (bachelor's and master's degree studies) is free for everyone, including foreigners. The only condition is that <strong>you have to study in Czech</strong>. But don't be afraid! It is difficult, but possible.</p> <p>The chances of ÚJOP Charles University graduates to enter the best universities in popular specialties increase significantly. We have been successfully preparing foreign students for admission to Czech universities for over 60 years.</p> </div> </div>

## Work in the Czech Republic after University Graduation

<div class="flex-container"> <div class="flex-item-40l"> <p style="font-size: 1.2em; text-align: left; font-weight: bold; color: #cc2c32;">What are the advantages of a diploma received in the Czech Republic?</p> <p>First, you get <strong>free access to the Czech labor market</strong> – you do not need to go through complicated procedures, which are mandatory for foreigners that do not have a Czech diploma.</p> <p>The second important argument in favor of a Czech diploma is that <strong>your education is easily recognized in any country of the European Union</strong>.</p> </div> <div class="flex-item-60r"> <p style="font-size: 1.2em; text-align: left; font-weight: bold; color: #cc2c32;">What can you do with an Information Technology degree?</p> <p>Graduates of the Information Technology program can easily find a job at both commercial and public organizations. Among them are companies engaged in information technology development, insurance and banking firms and also secondary schools. </p> </div> </div>

## Information Technology at Czech Universities

### Information Technology at Charles University

<div class="flex-container"> <div class="flex-item-30">  </div> <div class="flex-item-70"> <p>Information Technology with a focus on education is a field of study that provides a comprehensive bachelor's degree education focused on the one hand, on disciplines related to teacher training: pedagogy, psychology, general and disciplinary didactics. And on the other hand - in the field of information and communication technologies. Especially on the foundations of computer science; algorithmization and programming; data and information processing using information and communication technologies; development of web applications; operating systems and their administration; computer networks, their creation and management; design and implementation of databases and information systems; computer graphics and the creation of multimedia applications.</p> <p>The classes are conducted at the Faculty of Education of Charles University. Find the detailed admission requirements here. (updated 28.03.2023).</p> <p><span class="red">The entrance exam</span> is held in the form of a written test in which candidates answer multiple choice or structured response questions and solve problems. Its aim is to test your ability to reason logically and determine the level of your knowledge and skills in the field of information technology and its applications on the level of a high school graduate. To solve the problems, you are expected to use basic mathematical tools. The maximum score for the written test is 40 points. The duration of the test is 60 minutes.</p> <p><span class="red">Level of the Czech language proficiency:</span> B1. <a href="https://ujop.cuni.cz/UJOPEN-128.html" target="\_blank">Read more about language proficiency here</a>.</p> </div> </div>

### Information Technology at Czech Technical University in Prague (ČVUT)

<div class="flex-container"> <div class="flex-item-30">  </div> <div class="flex-item-70"> <p>The Faculty of Information Technology is a part of the Czech Technical University in Prague. Its students have the opportunity to choose the following areas as their specialization for the bachelor's degree.</p> <ul> <li>Management informatics</li> <li>Computer graphics</li> <li>Computer engineering</li> <li>Computer networks and the Internet</li> <li>Computer systems and virtualization</li> <li>Software engineering</li> <li>Theoretical computer science</li> <li>Artificial intelligence</li> <li>Web engineering</li> </ul> <p>The classes are conducted at the Faculty of Information Technology of Czech Technical University. Find practice tests and the detailed admission requirements here. (updated 28.03.2023).</p> <p><span class="red">The entrance exam</span> is held in the form of a written math test. The test lasts 90 minutes. You can get from 0 to 100 points, for successful admission you need to get at least 70 points. The test consists of multiple choice questions. The result of the exam is the sum of the points obtained for all questions. With the exception of writing instruments, the use of any aids, including electronic devices, is not permitted.</p> <p><span class="red">Level of the Czech language proficiency:</span> B1. <a href="https://ujop.cuni.cz/UJOPEN-128.html" target="\_blank">Read more about language proficiency here</a>.</p> </div> </div>

## Preparatory course at UJOP Charles University for Information Technology

### Description of the preparatory course

<div class="flex-container"> <div class="flex-item-60l"> <p>The preparatory course at UJOP Charles University includes <strong>intensive Czech language learning and training in special subjects</strong>, the knowledge of which you will need at the entrance exams and during your further studies. The course is also suitable for those who are starting to learn Czech from scratch. Our <strong>language certificate is recognized by more than 80 faculties of state universities</strong>, which means that you won't need to take an exam in Czech when you apply to a university.</p> </div> <div class="flex-item-40r"> <p><span class="red">During the course, you will study:</span> <ul> <li> <span style="text-align: left"><strong>Intensive Czech language course</strong><br/>(including professional terminology)</span> </li> <li> <strong>Specialised subjects:</strong><ul> <li> Mathematics </li> <li> Physics </li> <li> Informatics </li> <li> English </li> </ul> </li> </ul> </p> </div> </div>

### More about the course
