

Study Engineering and IT in Czech Republic

The preparation for engineering and IT-related programs takes place at our [campus in the centre of Poděbrady](#) . More than 76 % of our students are admitted to **study at a state university for free.**

Study Transport in Czech Republic

<ul style="list-style-type: none"> Transport Management and Marketing Transport Construction • Electric Traction and Electric Mobility Logistics • Operation and Maintenance of Vehicles Vehicles Construction • Engineering, Technology and Air Traffic Control Technology and Traffic Management 	University of Pardubice
<ul style="list-style-type: none"> • Technology and Traffic Management 	Institute of Technology and Business in České Budějovice
<ul style="list-style-type: none"> Aviation Machinery • Aviation Maintenance Technology 	Technical University of Ostrava
<ul style="list-style-type: none"> • Machinery Operation 	Mendel university in Brno
<ul style="list-style-type: none"> • Urban and Inter-Urban Transport 	Czech University of Life Sciences Prague

Study Electrical Engineering and Communications in Czech Republic

<ul style="list-style-type: none"> Applied Electronics • Automotive Electronic Systems Electric Power Industry • Mobile Technologies • Design of Electrical Systems and Technologies Control and Information Systems Telecommunication Technologies 	<u>Technical University of Ostrava</u>
<ul style="list-style-type: none"> • Electrical Engineering and Information Technology 	<u>University of West Bohemia in Pilsen</u>
<ul style="list-style-type: none"> English in Electrical Engineering and Informatics Audio Engineering: Sound Production and Recording Audio Engineering: Sound Engineering Automation and Measurement Electronics and Communication Technologies Information Security • Microelectronics and Technology Power Electrical and Electronic Engineering Telecommunication and Information Systems 	<u>Brno University of Technology</u>
<ul style="list-style-type: none"> • Measuring and Computer Technology 	<u>The University of South Bohemia in České Budějovice</u>

<div class="card" style="cursor: pointer; text-align: center; display: flex; flex-direction: column; align-items: center;" onclick="window.open('https://ujop.cuni.cz/UJOP-119.html')> <div style="border: 1px solid #D22D40; padding: 10px; background-color: #d32d41; width: 100%;"> <h3 style="color: white; text-align: center; margin: 0;">Do you want to study at the best Czech universities for free?</h3> </div> <div style="border: 1px solid #D22D40; padding: 10px; text-align: center; width: 100%;"> <p style="margin: 10px 0; text-align: center;">You only need to do two things for this – learn Czech and prepare well for the entrance exams.</p> <p style="margin: 10px 0; text-align: center;">All this can be done on ILPS preparatory courses of Charles University</p> <p style="margin: 10px 0; text-align: center;">Apply in time!</p> </div> </div>

Study Computer Science in Czech Republic

<ul style="list-style-type: none"> Informatics – Specialization in Bioinformatics and Systems Biology Informatics – Specialization in Graphic Design Computer Science without Specialization Mathematical Informatics• Informatics – Specialization in Computer Systems, Communication and Security Visual Informatics • Informatics – Specialization in Natural Language Processing Computer Science in Education Cybersecurity • Programming and Application Development 	<u>Masaryk university</u>
<ul style="list-style-type: none"> Applied Informatics • Data Analytics • Information Media and Services 	<u>University of Economics and Business Prague</u>
<ul style="list-style-type: none"> Information Security • 	<u>Czech Technical University in Prague</u>

<ul style="list-style-type: none"> Management Informatics • Computer Graphics • Computer Engineering • Computer Networks and the Internet Computer Systems and Virtualization Software Engineering • Theoretical Informatics • Artificial Intelligence • Web Engineering • 	
<ul style="list-style-type: none"> Informatics • Education-focused Informatics (double-subject) Mathematics for Information Technology 	<u>Charles University</u>
<ul style="list-style-type: none"> Informatics • Informatics in Economics • Mobile Technologies • Computer Systems for the 21st Century's Industry Telecommunication Technologies 	<u>Technical University of Ostrava</u>

Study Nuclear Engineering in Czech Republic

<ul style="list-style-type: none"> Physical Engineering • Nuclear Physics and Particle Physics Radiological Technologies Decommissioning of Nuclear Facilities 	<u>Czech Technical University in Prague</u>
--	---

Study Construction Engineering in Czech Republic

<ul style="list-style-type: none"> Architecture and Construction Geodesy and Mapping • Construction Management and Economics Construction Engineering • Construction • 	<u>Czech Technical University in Prague</u>
---	---

Architecture and Construction Construction Engineering	<u>Technical University of Ostrava</u>
• Construction of Buildings	<u>Institute of Technology and Business in České Budějovice</u>
Road Construction • Car Manufacturing •	<u>University of Pardubice</u>
Building • Spatial Planning •	<u>University of West Bohemia in Pilsen</u>

Study Mechanical Engineering in Czech Republic

Textile Engineering Technologies, Materials and Nanomaterials Sewing and Technical Clothing Manufacturing	<u>Technical University of Liberec</u>
Power Industry • Construction of Machinery and Equipment Materials Science • Materials and Technologies for Transport Production Management •	<u>University of Jan Evangelista Purkyně in Ústí nad Labem</u>
Applied Mechanics • Applied Science and Technology Transport and Technological Equipment Transport Systems and Technologies Hydraulics and Pneumatics Equipment Design • Mechatronics • Industrial Engineering • Industrial Design • Robotics • Machines and Processes Management Engineering Technology •	<u>Technical University of Ostrava</u>
• Machinery • Mechanical Engineering	<u>University of West Bohemia in Pilsen</u>

<div class="card" style="cursor: pointer; text-align: center; display: flex; flex-direction: column; align-items: center;" onclick="window.open("https://ujop.cuni.cz/UJOP-119.html")"> <div style="border: 1px solid #D22D40; padding: 10px; background-color: #d32d41; width: 100%;"> <h3 style="color: white; text-align: center; margin: 0;">Do you want to study at the best Czech universities for free?</h3> </div> <div style="border: 1px solid #D22D40; padding: 10px; text-align: center; width: 100%;"> <p style="margin: 10px 0; text-align: center;">You only need to do two things for thist – learn Czech and prepare well for the entrance exams.</p> <p style="margin: 10px 0; text-align: center;">All this can be done on ILPS preparatory courses of Charles University</p> <p style="margin: 10px 0; text-align: center;">Apply in time!</p> </div> </div>
