Ankhzaya, Mongolia Student of the Humanities COMPLEX course, 2022/23

"When I moved to Europe I met a nice lady who helped foreigners find their way around and settle in. I decided that one day I would help people too.

My teacher from ILPS, Zdena Malá, told me that there is a Masters degree in Social Work at the Hussite Theological Faculty, where **I enrolled with her help.**

I studied at ILPS for a year and worked on my essay for two months and it paid off, I was admitted to Charles University. **I am happy that my dream can come true and I will be able to help people."**
