
Czech Language Courses

Teaching Czech as a foreign language is our **core specialty, which we have been doing more than 60 years**. We offer Czech courses of **various lengths, intensities and focuses**. We are the only institution in the Czech Republic with **ALTE certification** for internationally recognized exams in Czech as a foreign language.

We organize **Czech courses at all levels from A1 to C1**. Candidates are placed in the appropriate group on the basis of placement tests. Study **face-to-face in the centre of Prague** in Voršilská Street, in the Krystal centre near Nádraží Veveřská metro station, or **online**.
