
UJOP Charles University: Ambassador Scholarship 2026/2027

Choose your field, win a scholarship, and study a foundation programme for free.

Become an ambassador for studying in the Czech Republic!

For the very first time, UJOP Charles University is offering **scholarships for its foundation programmes for the 2026/27 academic year**.

We are looking for motivated and talented students from selected countries who dream of studying in the Czech Republic, have strong academic results, and are eager to share their journey with the world.

What is the UJOP Ambassador Scholarship?

This scholarship is for students who will successfully complete their high school education by the end of this academic year and wish to join a foundation programme at UJOP Charles University.

Applicants should:

- have very good academic results,
- want to study in the Czech Republic and prepare for university studies,
- be active on social media (Instagram or Facebook) and want to represent UJOP UK in their community,
- have at least a B1 level of English.

Which programme can you get a scholarship for?

Choose one of the foundation programmes offered either in Czech (for future FREE studies at Czech public universities) or in English (for studies at Czech universities at affordable tuition rates) in the following fields:

- Medicine & Pharmacy (CZ / EN)
- Economics (CZ / EN)
- Engineering & IT (CZ / EN)
- Natural Sciences (CZ only)
- Humanities (CZ only)
- Art & Architecture (CZ only)

Your future is in your hands — pick the path that matches your dream career.

- Begin with the sentence:

- Answer briefly: Why the Czech Republic? Why UJOP? Why this field of study?

- Academic performance
- Quality and authenticity of the motivation letter
- Appropriateness of the social media content
- Creativity and execution of the reel
- Completion of all application steps and reel requirements

Application deadline: December 15, 2025

What we expect from scholarship holders

- Successful and active participation in the UJOP UK foundation programme
- Compliance with academic and behavioural rules, representing the good name of UJOP, Charles University, and the Czech Republic
- Regular posting about your studies at UJOP (once per week during your foundation programme, once every two weeks the following year)
- Participation in at least three UJOP events over two years
- Regular communication with the marketing team
- See detailed [Scholarship Holder Duties](#)

Important notice

To obtain a Czech study visa, you must show proof of 5,000 EUR in your bank account and be able to cover living expenses of about 7,000 EUR per year, plus other costs such as flights, insurance, and accommodation.

What's next after the foundation programme?

Depending on your chosen language of study you can study for free at Czech public universities (if you study in Czech), or study at affordable tuition rates in English.

The goal of UJOP UK is to help every student find their best path — whether it's continuing at Charles University or at other top institutions like Czech Technical University (ČVUT), University of Economics (VŠE), University of Chemistry and Technology (VŠCHT), Brno University of Technology (VUT), or Masaryk University, among others. Our advisors provide individual guidance — from choosing a field of study and preparing for entrance exams to selecting the university that best fits your interests, abilities, and goals.

Just ask — we're here to help.

UJOP UK reserves the right not to award a scholarship if the eligibility criteria are not met.
