Study at VSB – Technical University of Ostrava

Since 1849 VSB - Technical University of Ostrava has been a leading institution in Central Europe. Today the University offers Bachelor's, Master's, and PhD programmes to approximately 14,000 students in engineering, IT, technology, economics, and business related branches.

• University ranked in top 5% worldwide *
• 2000+ international students
• High-quality, low-cost, research-driven education
• Excellent job prospects with special visas for grads
• The City of Ostrava seats two major universities

Study at VSB-TUO places an emphasis on practical training, investigating real problems of today's state-of-the-art industry using the latest software and instruments. In many study branches 50% of the coursework is practically oriented, perfectly complimenting the advanced theoretical instruction, and ensuring that graduates have gained the education and experience sought by employers the world over.

UJOP's foundation programmes will significantly improve not only your chances of admission to university, but also help you prepare for university studies.

Preparation for English programmes

UJOP's English foundation programme will help you prepare for admission for all programmes. Choose the Engineering and IT in English FAST programme to study these Bachelor programmes:

• Applied Geology
• Geoinformatics
• Mineral Economics
• Mining of Mineral Resources
• Materials Engineering
• Nanotechnology
• Petroleum Engineering
• Architecture and Construction
• Computer Science
• Electrical Engineering
• Civil Engineering

Choose the Economics, Business, and Global Affairs in English FAST programme to study these Bachelor programmes:

• Business Administration
• Finance
• Financial and Accounting Advisory
